

INSIDE EATON

JANUARY 2023

NEW 4-WAY STOP

A reminder that the Town has created a new 4-way stop at 1st and Juniper. The 2-way stop was converted to a 4-stop on December 19 to improve safety at the intersection for cars and pedestrians. Please keep an eye out this winter to ensure the safety of all our residents.

HERE'S TO 2023!

We wanted to thank our community for a great year! From local events like the farmer's market and Eaton Days, to state championships from our local high school teams, to saying hello to one another

when we pass in the street, we know Eaton is a special place. Our Town staff is proud to serve this community. We look forward to all of the opportunities and activities 2023 will bring.

2023 ANNUAL BUDGET APPROVED

The Eaton Town Board approved the 2023 budget at the December 8, 2022 Board Meeting. You can find the full budget, budget presentation, and the Board resolution on the Town's website at townofeaton.colorado.gov/government/public-records. You can also find the 2023 Eaton Housing Authority Budget on this webpage. The Town has

nine funds broken into three categories: Governmental Funds, Enterprise Funds, and the Eaton Housing Authority Budget. The Governmental Funds includes funds for governmental activities like the general fund, library, streets, and more. Enterprise funds focus on water, sewer, sanitation, and irrigation. Find the full budget on our website now.
