WELCOME OFFICER RABER

The Eaton Police Department is very excited to welcome Officer A. Raber to the department. Officer Raber graduated from Flat Rock Academy and is coming to us from the Adams County Sheriff's Department. He has been in law enforcement for two and

a half years, with two of those years being spent in corrections. Officer Raber loves dogs and has an American Bully and a French Bulldog. We're happy to welcome Officer Raber to the team. If you see him make sure to stop and say hi!

CONSTRUCTION & FIBER AHEAD

ALLO Communications has started construction to build out the backbone of fiber for their new project in Eaton. This project will bring fiber network capabilities able to serve community members throughout Eaton, including schools, residences, businesses, and more. Once the backbone is built out, work will begin in Governor's Ranch,

Aspen Meadows, and Governor's Crossing to connect homes and businesses. Following this, construction will begin west of Cheyenne. The Town is working closely with ALLO to ensure limited disruption to community members. You can find continual updates on our website, Facebook page and by visiting allobfiber.com/construction.
